Clark County Probate Court

Springfield, OH 45502

Legal Practice in the Probate Court is restricted by law to attorneys who are licensed by the Supreme Court of Ohio. If an individual wishes to handle his or her own case, that person may attempt to do so, however due to the complexity of the law and desire to avoid costly errors, most individuals who have matters before the Court are represented by an attorney.

Court employees including the Judge are prohibited by statute from giving legal advice which includes selection and preparation of documents.
